

Empowering Stronger, More Confident, and Connected Jewish Teens

“In *Rosh Hodesh* I learned a lot about myself and what it means to be a strong individual, woman, and Jew.”

“We went to Jewish school to learn Jewish facts, and we go to *Shevet Achim* to learn to use them.”

At Moving Traditions we believe that when Judaism promotes self-discovery, challenges traditional gender roles, and celebrates a diversity of voices, it has the power to move our teens, our communities, and Judaism forward. Through our field-tested programs *Rosh Hodesh* and *Shevet Achim*, Moving Traditions and our trained adult mentors create experiences that inspire Jewish teens to openly explore fundamental questions of identity and society.
