

## YOU JUST DON'T UNDERSTAND: MAKLOKET L'SHAM SHAMAYIM

### **Makloket l'sham shamayim (disagreements for the sake of heaven) guidelines**

The guidelines are:

- Debate issues without attacking people and damaging relationships.
- Check your motivations for engaging in the conflict. Debate to solve problems rather than to win.
- Listen to the other side and be open to admitting that you may be wrong.
- Consider that you might both be right, even if you hold opposite opinions.
