

## Storytelling Prompts

---

- Describe a time you felt Jewish or when you did not feel very Jewish or “Jewy.”
- Describe a time when you felt you had to choose between your Jewish identity and another one of your identities (e.g., Sandy Koufax needed to choose between his Jewish identity and his identity as a baseball player when he decided not to play on Yom Kippur).
- Describe a time when you felt you should feel or should act a certain way because of your Jewish identity.

As you tell your story, be sure to share: What happened? How did you feel in that moment about what happened? What do you think as you look back on that experience?
