

Rainbow Craft instructions

Instructions:

First draw on your page a big rainbow arc that contains 5 large stripes. Leave yourself a lot of room to draw or write inside each stripe.

Next, respond to each prompt below by either drawing a quick doodle or writing a short sentence or phrase. Use different colors as you respond.

Drawing/Writing Prompts:

- Stripe 1. What is one truth about climate change that you know is real and important?
- Stripe 2. What is one thing in nature or the world that you feel personally called to protect?
- Stripe 3. What worries you most about climate change and its effects?
- Stripe 4. What is one thing—big or small—you can do to be part of the solution?
- Stripe 5. What is one prayer, wish, or blessing you have for the earth during a time of environmental challenge?
